COUNTY

AN ALBUM FROM THE
GARLAND BAGLEY COLLECTION

GARLAND C. BAGLEY (1909–1984). The images in this volume are those collected by Garland Bagley for his intended use in the publication of a history of Forsyth County, Georgia. His untimely death in 1984 preceded the publication of his work. However, two volumes were published posthumously—in 1985 and 1990, respectively. In 1995, Marie Bagley Roper donated her brother's papers, photographs, books, and documents to the Historical Society of Forsyth County, Inc. The materials amassed by historian Garland Bagley are now referred to as the Garland Bagley Collection.
